PROJECTS

🔗 INFINITY TECHNO ENGINEERING

Developed a responsive and professional landing page for Infinity Techno Engineering, showcasing their industrial services and solutions. Implemented clean UI design using HTML, React, Tailwind CSS and JavaScript to ensure smooth navigation and user experience. Optimized the site for cross-browser compatibility and mobile responsiveness.

🔗 PORTFOLIO

Designed and developed a modern, responsive portfolio website to showcase my front-end projects and skills. Utilized HTML, Bootstrap CSS, React and JavaScript with a focus on clean design and user experience. Implemented smooth navigation and mobile-friendly layouts to engage visitors effectively.

EDUCATION

B COM CA | HINDUSTAN COLLEGE OF ARTS & SCIENCE   2022-2025

Graduated from University of Madras with a strong foundation in commerce and computer programming, including web development and software tools.
